

**BBJ Quick Positioning Clips are a simple pipe clip made from a UV resistant plastic. They are fitted into standard unistrut channels by just a single twist.**

The QPC's are ideal for smaller installations and can be used both externally and internally. They are tidy and give a professional finish to any installation. The thickness of the pipe clip is equal to the wall thickness of the insulation.

#### QPC SPECIFICATIONS

- Bagged in 10's
- A complete range of 9 sizes to fit 1/4" to 15/8" O/D pipes
- Easy installation to 40mm x 20mm channel
- External diameter matches diameter of pipes with 9mm insulation
- Material withstands temperatures from -30°C to +135°C
- Excellent resistance to oil

**BBJ Quick Positioning Hangers reduce the number of stud clips needed to be kept in stock.**

This dual stud size clamping system will fit securely to both M8 and M10 studding. Five sizes are available to fit a wide range of different pipe diameters.

QPH's can support refrigeration pipework, insulated pipes and condensate lines.

#### DIMENSIONS

	No. 1	No. 2	No. 3	No. 4	No. 5
COPPER PIPE	1/4" - 3/8"	1/2" - 5/8"	3/4" - 7/8"	1" - 1 1/8"	1 1/4" - 1 3/8"
INSULATED COPPER PIPE	-	-	-	1/4" - 3/8"	1/2" - 5/8"
PLASTIC CONDENSATE	-	-	20mm	25mm	32mm

**BBJ Grip Locks are particularly good for installers who, when installing the first pipe, can hold it within the Grip Lock whilst installing the second pipe.**

Grip Locks are simple metal pipe clips that hold both liquid and gas lines. Designed to be fitted directly to the wall or solid ceiling, they can hold insulated pipes without a break in the insulation. Installation requires only one screw to be tightened.

#### DIMENSIONS

Approximate pipe sizes (allowing for insulation)

	Size 1	Size 2	Size 3	Size 4
LIQUID	1/4"	3/8"	1/2"	5/8"
GAS	1/2"	5/8"	7/8"	1 1/8"

#### GRIP LOCK SPECIFICATIONS

- Bagged in 10's
- Hinged for quick and easy pipe installation
- Wide metal components for good pipe support
- Space for electrical cables and condensate tube
- 8 microns of yellow colour passivate

**BBJ Pipe Ties are great for multiple pipework routes. These simple ties can be fixed easily and directly to a wall or channel.**

There are 3 sizes of Pipe Tie bases and 5 different lengths of cable ties to suit various pipe diameters.

#### TIE DIMENSIONS

Product	Length	Width
T250	250mm	20mm
T300	300mm	20mm
T350	350mm	20mm
T400	400mm	20mm
T450	450mm	20mm

#### BASE DIMENSIONS

Product	Length	Width
B1	52mm	45mm
B2	67mm	45mm
B3	79mm	45mm
